## Bibbulmun Walk & Talk

Walkers on the Bibbulmun Track

The Valley of the Giants Tree Top Walk organizes activities throughout the great South West every school holidays.

Nature goers joined the Adventure Doctor on a walk through karri forest and granite outcrops and learnt about the secret life of plants and animals. The finale was a spectacular view from Monkey Rock.

A fun walk was had by all.

More activities are planned so keep an eye out for the Department of Environment and Conservation holiday brochure, copies can also be found online at the DEC website.
